

6 Reid Street BROWN HILL VIC

3 1 1

This is great news for developers or young families to secure this warm and inviting family home. Lovingly cared for over many years by the one family, this three bedroom home situated on 2064m² has gas heating in the lounge, kitchen with new electric upright stove and separate bathroom and laundry. An external bungalow provides extra accommodation. A large workshop and extra garden shed is ideal for a tradesman. With a 20 metre frontage, this has great potential as a unit development (STCA).
