

11 Victoria Street CRESWICK VIC

2 1 1

Be very impressed with this spacious home on app 640sqm so close to the centre of Creswick and all its convenience. 2 good sized bedrooms, with a 3rd bedroom option in the attached bungalow. Very generous sized lounge room, with slow combustion heating and split system, and a kitchen meals family area of quite generous proportions as well. The bathroom features shower recess and vanity, toilet and laundry are accessed from the rear porch. Small workshop and bungalow, garden shed and older single garage complete the externals, and the home has had a recent colorbond roof and spouting upgrade. The central location is the icing on the cake with this property, and will give you confidence in the knowledge that you can improve this home without over capitalising. Great value for the astute buyer.
